Dear Sponsor,

I am the high school band director at Charleston Public Schools, an award-winning, nationally recognized small band program that serves 125 students in grades 6-12. I'm writing to you today because we need your help! At Charleston, we believe that students in small schools deserve the same opportunities as their counterparts at larger schools, but we teachers sometimes need to seek financial support from the surrounding area in order to provide those opportunities for our deserving, hard-working students.

By becoming one of our sponsors, you'll be able to help us pay for private lessons for students whose families can't afford them, band camp scholarships, travel expenses, and enriching cultural experiences that our deserving students won't have the opportunity to take part in without your help. We've also listed some of the incentives and perks that your company can enjoy should you decide to become one of our sponsors.

Regardless of the amount you choose to give, your company name will be included in our concert programs for the 2019-2020 school year and you'll be included in the press release that we'll publish on our website and on social media. We're accepting cash donations as well as in-kind donations of goods or services. Feel free to make a contribution that you're comfortable with and see the attached sponsorship levels document to find the giving level that's right for your company. If you're ready to make a donation, please return the enclosed form and send it back to us in the self-addressed envelope.

I'd like to thank you in advance for your generosity and please, don't hesitate to contact me directly at 501-467-0920 or [jholt@tigersmail.org](mailto:jholt@tigersmail.org) if you have any questions!

Sincerely,

*Jessica Holt*

# Thank you for helping our students!

Your support will forever change the life of a child! Please indicate your preferred sponsorship level, fill out the rest of this form, and mail it back in the self-addressed envelope we've included. Thank you so much!
